

-Just a heads up – if you haven't already, please sign up for Trustee Trainings with MHLS. The 2022 Annual Report requires us to log your hours in training! A minimum of two hours annually is required. Whenever you complete a training, please send us the info 😊

-Open meetings: up for discussion tonight.

-Beth had talking books on her hit list, as luck would have it there is a statewide training at the end of the month. We've assigned Cressa as the point person.

-We've added 3 new staff to the team, Alice Caulfield, Sonya Vojnik as library clerks and Brooklyn Benjamin as library page. Sonya and Brooklyn will be working in Palenville, Alice is on here in Catskill.

-Allie has made a smooth transition over at the Senior Center, folks love seeing her every week. After the Audit, Allie & I will begin making headway in the nursing homes, Alice has tremendous experience with Special Ed, and once the nursing homes are established, we'll start working our magic in the local homes that serve the disabled.

-Two Step Verification: If you haven't done so, please update your gmail to 2 step verification, and send us the google confirmation once it's done.

-Turbo Tax: while we wish we served more, in all 36 people filed their returns with us! Averaging \$90 per person for the software, that's a \$3240 savings to the taxpayer, and the program was fully funded by the Bank of Greene County.
