

PALENVILLE UPDATE: April 2022

This month's (April) craft packs:

Kids: "Clay Pot Bunny"

Adults: "Embroidery Kit"

We have reservations for 90 kid kits and 50 adult kits. There are waitlists for both crafts...

We have our **May Craft Kits** in the works:

Kids - "Grass Seed Heads"

Adults: "Spiral SunCatcher"

Ukulele Club: Still going strong!

Science Fiction Book Club: Everyone was really pleased with Cressa's taking over of the book club - they all had good things to say about her as a facilitator!

Summer Reading: We are hard at work prototyping all the things we have planned for the 6 weeks we will host our "Summer Reading Program" starting July 5....stay tuned for details!

Tiny Tots is returning the 1st week of May to Pville! Miss Crystal will be running it (she's missed it so much and the kids have missed her) and we're looking forward to it! Tiny Tots will run every Tuesday from 10:00am-11:00am.

Now that I have a dedicated team for Pville (Welcome Sonya and Brooklyn- YAY!!), I am starting to brainstorm ideas to maintain our patron base and get new people in the doors. Will report back once I have things figured out!

We have a patron and former employee (Lorri Field) who is interested in **possibly** becoming a board member. Can you please advise me on what steps she needs to take?

Thankfully, things are going well in Pville!

PS- there is nothing better than having a new child come to the library and see the kid's room for the first time- they get so excited! What made this recent visit even better: as the child was leaving, he told me very enthusiastically, "I Love this Library"! The other patrons that were in the library at the time got such a kick out of this!

Actually, there is something just as good that happens occasionally at our library: we have kids who actually *CRY* when it's time to leave. They are so happy to be there, they don't want to go!!!
