

PALENVILLE UPDATE: October 2022

Things have certainly quieted down now that the children are back in school! Families are still visiting us but not as many as during the summer. We are gearing up to start hosting "in-house" kid AND adult programs again next month.

We hosted our "**Movie Night for Grown Ups**" after a 2 year hiatus. We had 16 people attend. It was a packed house! Hopefully, our monthly movie nights will continue to be a success. If the counts continue to increase for these nights (and we run out of space), we will also offer an afternoon showing of the movie.

We've had 35 people register for our "**Adult Craft Packs (Halloween Themed Wreaths)**" for the month.

Tiny Tots: We have such a great group of regulars that attend, and each week, we've been seeing new faces. Doing this program every Tuesday, has been such a joy!

Monthly Homeschool Group: Will update you once the first meetup happens.

Children's Halloween Party: This is scheduled for Saturday, October 29 and we are *mostly* ready and very excited!

For November:

Movie Night for Grown Ups (Thursday, November 3)- We will be showing "Top Gun: Maverick".

Kid's Craft Pack to Go (the week of November 6-12): We will be doing a "No Sew Sock Turkey"

Kid's In-House Program (Saturday, November 12): We are planning on making "Fall Themed" Slime.

Adult Craft Pack to Go (the week of November 6-12): We will be doing a "Fall Themed Wooden Sign"

Adult In-House Program (Thursday, November 10): We will be offering adults the opportunity to make the "Fall Themed Wooden Sign" in the library instead of taking a craft pack to go.

Miscellaneous:

I have confirmed our photographer for "**Pictures with Santa**" event (Saturday, December 3) – we are using the same person as last year and we are so happy to have her back. She did an amazing job with this event.

I've had several people ask me about offering a "Beginners Crochet Class" so I am putting out the feelers to see if there is anyone local that would be willing to host this at the library.

We've hired a clerk for Palenville and have been training her – I think she is going to be an incredible asset to the staff 😊
