Miscellaneous/February Plans:

- Take home craft packs have been planned for adults and kids
- In-House activities have been planned for adults and kids.
- Movies have been planned for adults and kids.
- Working on Pville's portion of the Annual Report
- We are working on new program ideas (Learning to play Mahjong class/Evening games for grown-ups/Palenville History Lecture/Afterschool Lego Club/Additional Storytimes)
- We are also working on our Summer Reading program (I know. It's only January. ☺)
- Library had been fairly quiet in the new year – the weather and the variety of illnesses going around seems to be the reason. Starting to pick up again this week. Tiny Tots is still averaging around 10-14 kids weekly.
