Miscellaneous/March Plans:

- Ashley and I created an instagram page for the Palenville Library- it is a work in progress but has been getting some attention.
- Our patrons seem to be enjoying our "love your library" photo ops.
- Working on events for March for kids and adults
- We are partnering with "Neighborhood Forest's Free Trees for Kids" this year- Within 5 hours, we had 24 families registered for free tree saplings! It is an amazing program!

A parent told us that they gave their child a choice of where to go one morning: Library or Aquarium. The child chose coming to our library. This made us sooooo happy ☺
