Miscellaneous/April Plans:

- People have been really enthusiastic about our monthly Birthday Club!
- We've had 39 families register for 65 trees through our partnership with "Neighborhood Forest's Free Trees for Kids". Trees will be distributed during Earth Day Week from the library to our patrons and we are hoping our "Seed Library" will be up and running by then as well!
- We've been seeing a lot of people in the library for things other than our programs.
- Catskill CSD is on spring break the 1st week of April and we are planning an event for kids that Thursday.
