Treasurer report

Mike Maloney

Christopher, Mike, and Joan met for several hours this week to update the working budget and will have finalized the numbers for our November meeting. The intention is to continue maximizing savings (“Tighten our belts”) in operations and utilize those saved dollars towards the cost of relocating the Palenville Branch.

In addition, the Board was asked to consider piggybacking the change from Cash-Basis Accounting to Accrual AND resetting the Library’s Fiscal Year to align with the School Fiscal Year (July to June). This will be a multi-year process, needing approval at the federal and state levels and adjustment(s) to the tax levies.

The Treasurer’s report was read.

Old Business:

The future for Palenville Public Library

Christopher Leary

All board members and staff are aligned with exploring the feasibility of relocating to the Woodbine Inn. As we continue working through the “next steps,” questions about the shared Kitchen Space were raised. Christopher reports that more information will be gathered for our next meetings. On 10/17, he and the property owner are meeting with code enforcement to determine the feasibility of plans and review the site. On 10/18 CL is hoping to have a Leasing discussion. Gil B. noted that the leasing agreement should be kept very simple when putting it together.

Audit Committee:

Mark Perry

This will be tabled for the November meeting since Mark is not present. However, board members should read the “*Comptroller Audit Guide*” (link above) before the next meeting.

New Business:
