

PALENVILLE Board Report: December 2024

November Final Updates:

"In-the-Library" Event for Tweens (Thursday 11/21): 8 kids

Everyone enjoyed the event and are looking forward to its return in our new building!

November Birthday Club: 3 kids/4 adults

Our last big event in this building was our "Pictures with Santa" event on Saturday (12/7). We had a total of 41 families attend = 142 people (72 kids & 70 adults) in 4 ½ hours. It was another Palenville magical event ☺ Everyone had a great time with Santa and his elves. Families hung out chatting, snacking on festive mini donuts, coloring pictures and writing letters to Santa, and shopping our booksale.

We are looking into hosting a "Pictures with the Easter Bunny/Egg Hunt" event in our new location! Ashley (Pville staffer) has been wanting to do this for years and now we'll have outdoor space to do it.

Tiny Tots has been incredible. We had 26 kids/19 adults (December 3) and 25 kids/22 adults (December 10). We are all looking forward to *MORE* space in the new building as we continue to grow the program. We are also planning an additional storytime day once we are settled in.

Miscellaneous:

We're moving and we are excited, overwhelmed, and exhausted. But mainly, we are **EXCITED!** ☺
